9-10 AUG 1954

SUBJECT: MEETING WITH ATCASSOWARY 15

1. Met Cass 15 at his house on the afternoon of 9 Aug. ~~Wrote~~ Wrote W/T message to Mak (msg. # 172) and composed a letter to Carthage 12 (see CARTHAGE 12 S/W letters OUT).
2. Cass 15 was in NY from Aug. 4-8 where he helped Cass 2 prep are some reports for me. He was working on the translation of the support plan of the ZCh; the debriefing of Boris (ZCh courier); plan for the foundation of the English Language Bulletin (Eastern European Affairs and Ukrainian Review".;
3. Since Cass 2 had not yet finished the report of messages from SMYDPIA to Myron, I asked Cass 15 to get ~~it~~ as soon as possible. He said he would do this on his next trip to NY (Aug 11).
4. Contrary to my instructions, Cass 2 did not give Cass 15 a message to Mak for 11 Aug. 33. Instead, Cass 15 and I wrote one at this meeting.
5. Re letter to Carthage 12, I told him that until we challenge Carthage 12 and find out definitely whether he is controlled or not, we would not send him any S/W but instead would continue using open text. Cass 2 was of the opinion that Carthage ~~him~~ 12's last letter indicated control but he was not 100 % sure of this. He therefore wrote a text for S/W including another return address in Canada. Cass 2's text will not be used; instead an open text letter including CO challenges will be sent.
